

Vintage Auto Garage 800-516-4461

Alternator Bracket Part Number BKT5464Y

Fits All Car and Truck Y Block Ford V8 Engines (Except 1955-1957 T-Bird and Lincoln)

Designed to fit Delco 10Si, 12Si & CS130 alternators found in most GM vehicles from 1973-1981.

Includes: Ford Y block mounting bracket and mounting hardware.

Note: Use proper tightening procedures for all mounting hardware.

Be careful working around rotating engine parts, loose clothing and fingers can get caught and cause injury.
